

INFORMATION ON TERMS AND CONDITIONS

BNC CAPITAL provides its Services exclusively on the basis of individually negotiated commercial agreements with each customer.

All commercial terms, rights and obligations, including the method of service delivery, scope of license, pricing arrangements, liability, and support, are specified in detail in the individual agreement concluded between the client and our company.

The service is not provided automatically or without prior agreement – each collaboration is initiated based on personal communication and a written contractual arrangement.

Interested in cooperation or a tailored offer?

Feel free to contact us using form on our website.
